

# New Orleans City Engineer's Office Records

SOUTHEASTERN ARCHITECTURAL ARCHIVE  
COLLECTION 130

Foot Bridge across Bayou St. John. New Orleans, LA. Ca. 1870. Louis H. Pilie, city surveyor. Ink and watercolor on heavy paper.

## SCOPE and CONTENTS

Project drawings  
Ca. 1860s – 1900  
4 folders

Collection 130/Rev. 04/25/2016/KW/1

Project drawings from the City Engineer's office, New Orleans, LA. Drawings are from the early 1860s to 1900. Included are designs for bridges, plans for maintenance and service buildings, and plans for improvements to streets, railroads, and parks. Engineers and architects whose names appear on drawings are Louis H. Pilie, W.H. Bell, and Benjamin Morgan Harrod.

## PROVENANCE

Records were given by the City of New Orleans to Tulane ca. 1970.

## ACCESS

This collection is housed in Tulane University Libraries' Southeastern Architectural Archive (SEAA) and requires an advance appointment for use. For further information, call (504) 865-5699, or email [seaa@tulane.edu](mailto:seaa@tulane.edu). The unauthorized use, including, but not limited to, publication of the materials without the prior written permission of the Southeastern Architectural Archive is strictly prohibited. All inquiries regarding permission to publish should be submitted in writing. Please see our [Permission to Publish Guidelines](#).

## PREFERRED CITATION

New Orleans City Engineer's Office Records, Southeastern Architectural Archive, Special Collections Division, Tulane University Libraries.
